

Dissertation prize

AIA awards two dissertation prizes of £250 every year for undergraduate and postgraduate research in industrial archaeology

Travel bursaries

AIA offers travel bursaries of up to £1500 to support people studying, working or volunteering in industrial archaeology. Bursaries can fund travel, accommodation and fees for research or study visits, conferences or courses in Britain or overseas

Publication awards

AIA offers awards of up to £500 each year, for the best industrial archaeological reports and publications. AIA also has a Digital Initiative Award

Research grants

Grants of up to £1,500 a year are available to anyone working or studying in the UK towards the costs of research in industrial archaeology and heritage
